CITATION

The Citation is the primary basis of the nomination by which the submittal will be judged. Describe the nominee's specific, verifiable accomplishment(s) in 1 to 2 sentences totaling 50 words or less. The accomplishments mentioned in the Citation must be elaborated in the Major Technical Achievements write-up then supported or confirmed by the references' support letters. Please note that if the nominee is elected, this Citation will be read at the award ceremony and published in *SAE Update*.

MAJOR TECHNICAL ACHIEVEMENTS

Significant Contributions:

Please complete the following area with up to five concise paragraphs about the nominee's most important achievements. Examples might include: a technical innovation with major impact and broad applicability; a new engineering or manufacturing process which drove major improvements in productivity and/or quality; or work that strongly influenced a new mobility-related standard, government policy or legislation.

- a.) Describe the nature and impact of the nominee's individual technical efforts, and/or
- b.) Describe the scope and impact of a technical team led by the nominee and the nominee's role in the achievement, and/or
- c.) Describe the impact of a major organization in which the nominee was a senior manager and the contribution of the manager to the organization's achievements.

PUBLICATIONS, COMMUNICATIONS, LEADERSHIP, AND PATENTS

Mobility-Related Technical Publications: (attach a list of publications to this nomination)

- How many books has the nominee authored or edited?
- How many chapters has the nominee written?
- How many journal papers has the nominee published?
- How many other technical publications has the nominee written?
- Has the nominee authored other publications of significance related to the citation (*e.g.*, standards, contract reports, position papers, etc.)?
- Consider up to five mobility-related publications that are the most important to this nomination. What impact have these publications had?

SAE Fellow Nomination

Patents: (attach a list of patents to this nomination)

- How many patents does the nominee have that are related to the Citation?
- List up to five of the most significant patents to this nomination.
- Describe the significance of the nominee's patented work.

Keynotes, Presentations, Panels, and Speeches

- Other than technical papers, how many presentations, panels, speeches and keynote presentations has the nominee made?
- Include the overall number of invitations the nominee receives to speak, but may not fulfill due to time constraints.
- Please list up to five of the most significant speaking engagements and describe their importance.

SAE Fellow Nomination

Leadership Accomplishments

- Document leadership successes and their impact to the mobility industry. Refer to the Judging Guideline document or the Example completed nomination for content consideration.

Organizational Spokesperson

- In 1 to 3 sentences, summarize the impact of the nominee's communications to his/her internal organization and /or to external audiences regarding the organization's products and processes.

SAE Fellow Nomination

PROFESSIONAL RECOGNITION

Industry/Government/Academic/Public Recognition

- Describe in 1 or 2 sentences how widely recognized your nominee is within his/her specific mobility field and cite evidence, if available. (e.g. company, national or internationally-recognized expert)
- List honors, awards, prizes, honorary degrees, awarded to the nominee by his/her organization or external organizations. Include title of the award, name of the institution granting the award and date received.

SAE Fellow Nomination

TECHNICAL SOCIETIES ACTIVITIES

a. List the nominee's SAE participation including administrative committees, boards, councils, elected offices held, technical sessions organized, technical or standards committees served, and/or local section involvement. List dates of involvement plus give a brief description of nominee's involvement.

b. List the nominee's participation in other societies/associations. Include administrative committees, boards, councils, elected offices held, sessions organized, technical or standards committees, and local chapter involvement. List dates of involvement plus give a brief description of nominee's involvement.
